The Secretary,

Dear Sir,

Ref: Your proceedings No RC 1602/50-B, 8-2-12.
Sub: T. A. for attending half-yearly meeting on 30-12

In pursuance of your communication under reference I was nominated by you as a member of the Board and further I was informed that I was eligible for T. A. as for class IV officers of the Govt. of Madras.

Since my nomination as a member of the Board I attended its half yearly meeting held on 30-12-50. On my return home I drew up my T. A. bill for Rs 124-5-0 and submitted to you. You were pleased to pass the bill and forwarded it to the Secretary District Soldiers' Sailors' & Airmen Board. On receipt of the bill from the Secretary I submitted to the Treasury Deputy Collector of South Kanara at Mangalore. I regret to inform you that the bill has

not been passed for payment in full. but a sum of Rs 7-8-0 has been cut without any intimation to me. It is a matter of surprise for me to find that the bill having been drawn by me in conformity with the prevailing rules a sum of Rs 7-8-0 has been disallowed. I had no other alternative except to receive payment of the bill minus the cut effected by the Treasury Deputy Collector, at Mangalore. I shall be glad if you will kindly intervene in the matter at your earliest, by addressing the Treasury Deputy Collector and help restoring the cut effected by him.

Yours faithfully.

B-

Making calculations, it will be seen that the T.O. has allowed a uniform rate of road mileage at 3 annas per mile for the 62 miles. There is no other item which totals up to Rs 7.8-0. Hence we shd ~~point out the G.O.~~ express the presumption and point out the G.O. which allows 6 as. per mile for the first 40 mls. & 3 as. per mile for the rest of the journey.

62 x 3as. = Rs 11.10. i.e, 7.8-0 less than Rs 19.2.

Pl. revise the draft accdgly.
